## MIT SELL (Market-if-touched) Verkauf

The screenshot shows the CapTrader Order Ticket window. The title bar reads "CapTrader Order Ticket". The window contains a "Kurs Tafel" section at the top, followed by a "Kontrakt" section. Below this, there are two tabs: "Grundlegend" and "Verschiedenes". The "Grundlegend" tab is active and contains the following fields and controls:

- Aktion:** Radio buttons for "Kauf" (selected) and "Verkauf".
- Menge:** A text input field with the value "100".
- Order Beschreibung:**
  - Ordertyp: A dropdown menu showing "MIT".
  - Limit: A text input field.
  - Stop-Preis: A text input field.
  - Trigger Preis: A text input field with the value "49.40".
  - Zusatzlimit: A dropdown menu showing "amt".
  - Prozent Offset: A text input field.
  - Destination: A dropdown menu showing "[UNGÜLTIG]".

Below the "Order Beschreibung" section, there are several buttons: "Vorschau", "Übermitteln", "Akzeptieren", "Order löschen", "Start", "Stop", and "Ablehnen". At the bottom, there is an "Ansichten" section with radio buttons for "Umfassend" (selected) and "Kompakt".
